Mr. Mark Policinski
Executive Director
Cincinnati Area MPO
c/o Ohio-Kentucky-Indiana Regional Council of Governments
720 East Pete Rose Way, Ste. 420
Cincinnati, OH 45202

Dear Mr. Policinski:

The Kentucky Division Office of the Federal Highway Administration (FHWA) has reviewed the following documents:

Amendment 10 to the 2014-2017 Transportation Improvement Program (TIP) for the Cincinnati Area Metropolitan Planning Organization (MPO approval documented on the September 11, 2014 resolution)

and found that this amendment **included only exempt projects**. This amendment will not change the regional emissions analysis that was used to support the most recent conformity determination made on November 25, 2013. **Therefore a new air quality conformity determination is not required** under the Transportation Conformity Rule. If you have any questions, please contact me at (502) 223-6729.

Sincerely yours,

Bernadette Dupont Transportation Specialist

Bluedette Dupat
